Systematic Engineering Company Profile

Systematic Engineering (Pvt) Ltd

Mininig

Maintenance of mining equipment. Manufacturing and refurbishing of processing Plants.

Industry

General repairs and maintenance of all types of production equipment and Plant Automation.

Agriculture

Supply of Plant equipment to achieve value addition through food processing and packaging.

About Us

is a Zimbabwe-based egineering company specializing in integrated power solutions across electrical, solar, plant automation, hydraulic, and pneumatic systems. We deliver reliable, cost effective, and sustainable energy solutions tailored to meet the needs of industrial, commercial, agricultural, and residential clients.

Our mission is to empower businesses and communities with dependable power systems that improve productivity and reduce operational costs.

Company Overview

Company Name: **Systematic Engineering (Pvt) Ltd**

Areas of Expertise: **Mining and Processing Plants, Industrial Manufacturing, Agricultural Mechanization, General Engineering Solar Systems, Industrial Automation, Electronics and Electrical.**

Our Core Values

- Intergrity
- Excellence
- Sustainability

Our Vision

To be a leading engineering solutions provider in Zimbabwe and the region, delivering innovative and sustainable power systems.

Our Mission

- To provide high-quality engineering solutions.
- To improve energy efficiency and reliability.
- To deliver projects on time and within budget.
- To build long-term client relationships.

Our Core Services

1 ELECTRICAL POWER SYSTEMS

- Power distribution systems.
- Backup power solutions.
- Electrical installations (industrial & domestic).
- Maintenance and fault diagnosis.
- Power distribution systems.

2 SOLAR POWER SOLUTIONS

- Solar system design and installation.
- Hybrid systems (solar + grid + generator).
- Solar water pumping systems.
- Generators.
- Installation, repairs and maintenance.

3 HYDRAULIC SYSTEMS

- Hydraulic system design and installation.
- Pump systems and fluid power solutions.
- Maintenance and repairs.

4 PNEUMATIC SYSTEMS

- Compressed air systems.
- Pneumatic control systems.
- Supply of new compressors.
- Repairs & maintenance of all types of compressors.

Power your future with realiable Solar Solutions

Systematic Engineering (Pvt) Ltd

Are you ready to cut electricity costs and enjoy uninterrupted power ? We provide professional, affordable, and efficient solar solutions tailored to your needs.

Core Services

- Domestic Solar Installations.
- Industrial Solar Installations.
- Solar System Service & Repairs.

Why Choose Us?

- Experienced and certified technician.
- High-quality solar equipment.
- Affordable pricing and flexible solutions.
- Fast, reliable service.

DOMESTIC SOLAR INSTALLATIONS

- Reliable backup during power outages.
- Reduced electricity bills.
- Clean, renewable energy for your family.
- Custom-designed systems to fit your household needs.

Bring energy independence to your home!

INDUSTRIAL SOLAR INSTALLATIONS

- Scalable systems for factories, farms, and commercial properties.
- Lower operational costs and increased efficiency.
- Energy solutions designed for high-demand environments.
- Sustainable power for long-term growth.

Power your business with confidence.

SOLAR SYSTEM SERVICE & REPAIRS

- Fault diagnosis and quick repairs.
- Routine maintenance and system upgrades
- Battery, inverter, and panel servicing
- Professional support you can trust.

Keep your system running at peak performance.
